Acknowledgement

First and foremost, I prostrate to the feet of Lord Vishwanatha who is omnipresent, omniscient and omnipotent.

It is my privilege and humble duty to memorize and profusely express my gratitude to the great soul, Bharat Ratna Pandit Madan Mohan Malaviyaji, the founder of this great Banaras Hindu University.

I gauge my sincere and heartfelt salutations to my respected teacher and guide Prof. S.P. Mishra, professor, Dept. of Geography, Faculty of Science B.H.U., for his valuable criticism and suggestions given by him throughout my study have not only helped me to finish this work but also have enabled me to have conceptual clarity and creative pondering. His profound knowledge of the subject, dedication towards the work and amazing foresight will always inspire me in my future endeavours.

It is indeed a pleasing privilege for me to express my profound gratefulness and indebtedness to my respected Head, Prof. Rana P. B. Singh, Professor & Head, Department of Geography, Faculty of Science, B.H.U., for his academic support and all necessary facilities.

I am also very thankful to my respected committee members Prof. V. N. Sharma, Prof. R.S. Yadav, Prof. H. P. Sen Gupta, for their valuable comments and suggestions during the completion of my thesis.

I am also thankful to Prof. M. B. Singh (Ex-Head), Dr. V. K. Tripathi, Dr. Kavita Mishra (PDF), Jishnu Sar, Ankit Pandey, Priyanka Yadav.

I will be failing in my duty if I do not mention of the non-teaching staff of my Department. I convey my thanks to all of them for their help and cooperation during my work.

I am also grateful and would like to acknowledge training institution, NRSC, Hyderabad for providing me necessary skill and software handling which has certainly improved the quality of this thesis. I am highly thankful to the authorities of various
Governmental Departments for providing me necessary information regarding to my research work.

Lastly, I also want to give my greatest gratitude to my family and friends for their love, fundamental support and care during all difficult moments. In particular, I would like to mention my father Prof. Hiralal Prajapati and my mother Smt. Madhuri, for building my career and giving me unconditional support throughout my life and my studies.

My profound gratitude also goes to my husband Dr. Chandra Shekhar, for his constant encouragement, affection and unflagging support not just during the entire tenure of this study but in every walk of my life. My sisters and brothers Ar. Ankit and Er. Prateek, who has always been a moral support for me.

Last, but not least, I am thankful to all persons who directly or indirectly contributed to accomplish this research work.
